Disentangling the Insurance NAIC Annual Financial Reporting Model Regulation (Model Audit Rule)

Company: Lord & Benoit
 Event Start: 2009-06-02 02:00 Eastern
 Event End: 2009-06-02
 Location: -

This webinar will review the revised Model Audit Rule, called the Annual Financial Reporting Model Regulation or AFRMR. Best-practice corporate governance standards and elements will be reviewed in an effort to help insurance companies achieve transparency, fraud prevention and restored public confidence in the insurance industry by raising its own level of self-governance.
